

10TH FESTIVAL OF PACIFIC ARTS TV NEWS

In a major first for the Pacific region, content packages from the 10th Festival of Pacific Arts will be beamed to TV audiences in the Australasia region.

With the assistance of KVZK, SPC Media Centre, Television New Zealand, Maori TV and Fiji's Stockwell Limited, around 11 hours of LIVE content and highlights packages will be sent to 10 TV stations including those in New Zealand, Australia, Fiji and Hawaii.

"This is an amazing feat and one that brings together so many partners – we thank them all for their fantastic contribution" said the organizing committee's Consultant Richard Broadbridge.

Maori TV and TVNZ have been instrumental in lending the organizers the resources to make the event on television possible. Confirmed broadcast partners include Fiji's Mai TV, two broadcasters in Samoa – TV3 and SBC, TONFON Tonga, VBTC Vanuatu, One News Limited Solomon Islands, BCN Niue, Maori TV, TVNZ and PNCC Palau.

The following broadcasters are yet to confirm their participation: EMTV PNG, RFO New Caledonia, RFO Tahiti and RFO Wallis& Futuna. Other broadcasters need to contact Richard Broadbridge at rbroadbridge@stockwell.com.fj or call +679 9927721.
